

# JOIN US IN SPAIN 15TH - 22ND MAY 2012 FOR OUR EUROPEAN ELVIS FAN CLUB ELVIS CELEBRATION WEEK

We all know that 2012 is the 35th Anniversary of Elvis having left "our building", but we are aware that not every Elvis fan can afford the time or the cost of travelling to Memphis. We also know that you still want to celebrate the Elvis legacy, but far away from the damp and drizzle. Those of you who were around years ago will remember that we had a Spanish holiday on the Costa del Sol, and we used a hotel that was a Pontinental property. This very hotel is now known as Hotel Puente Real. It has been renovated and it is top! The cost for a week inclusive of all entertainment, food and alcohol is £429.00 (based on two sharing). All you have to do is book your flights on a low cost airline from your nearest airport for less than the cost of parking your car for a week at Heathrow, and if you fancy an optional day out then the duty free Rock of Gibraltar is just 90 minutes away. We recommend that everyone buys adequate travel insurance.

## INFORMATION

### THE YESTERDAY ONCE MORE DIFFERENCE

We have seventeen years experience of promoting music theme festivals in the U.K., Europe and the U.S.A. We are a specialist music theme weekend break organiser. We ensure that all elements of the weekend are run in a professional manner, and every element of the event is carefully planned. Our sound and lighting systems are second to none. Our DJs are the best in the business, playing music from the era. We ensure that we limit the numbers for our clients comfort and, most importantly, everyone attending is there to enjoy the event, so you can relax in the friendly atmosphere with like-minded people. We pride ourselves on producing the finest quality weekends of their type anywhere, and our events continue to be the bench mark to which all other events are compared.

### ESPAÑA, POR FAVOR!

The Official Elvis Presley Fan Club has been taking members to mainland Europe since 1966 when several hundred Brits travelled to Brussels to meet up with fans from Belgium, Holland, France, Germany, Norway, Sweden, Denmark, Italy and Spain for a fan European event. Well, we are doing it again for 2012 to commemorate Elvis' 35th anniversary, and yes - we are back in Spain, and this time to have a 7 day non-stop party and to find Europe's Best ETA with our friends at Yesterday Once More.

### THE OFFICIAL ELVIS PRESLEY FAN CLUB OF GREAT BRITAIN

Established in 1967, the British Fan Club is without doubt the world's most respected fan organisation with members in almost every country. Over the years fan clubs for all artists have been a driving force to sustain interest, but none have been as successful as the iconic OEFPC. Whilst the internet is littered with Elvis related sites, it is still "cool" to be a member of the Elvis Fan Club. If you would like to see a free sample copy of our new retro style magazine call 0844 800 6881 or write to us with your name and address to Elvis Presley Fan Club, PO Box 3456, Cheadle, Staffordshire ST10 9EQ.
